PayZippy
Merchant Compliance Self-Certification

Periodic self-certification against the NPCI UPI Procedural Guidelines

Reporting period: Q2 FY 2026-27 (quarter ending 30 June 2026)

PayZippy Commerce Ltd. is a customer-facing bill-payments and recharge merchant on UPI. This self-certification covers the quarter ending 30 June 2026.

This document certifies the merchant's compliance status against the payment and service obligations applicable to customer-facing merchants on the Unified Payments Interface, as set out in the NPCI UPI Procedural Guidelines and associated circulars. Statuses are self-attested; evidence references are available to the regulator on request.

2. Payment Compliance Self-Certification

Self-certified status against the settlement, reconciliation, security and dispute obligations of the NPCI UPI Procedural Guidelines (ref. Settlement of UPI Transactions; Annexure I - Settlement & Reports; Annexure XIII - Broad Security Considerations).

Clause Ref	Requirement	Compliance Status	Merchant Response / Evidence
PAY-01	Settlement of UPI transactions credited to merchant account within T+1 of the settlement cycle	Non-compliant	Settlement currently received on T+2 due to a legacy nodal-account arrangement; migration to T+1 settlement planned for Q4 2026.
PAY-02	Daily reconciliation of raw transaction files against NPCI settlement reports	Partial	Reconciliation performed weekly, not daily; 41 unresolved breaks older than 7 days at quarter end.
PAY-03	PCI-DSS attestation of compliance (AOC) valid and on file for card-adjacent data handling	Non-compliant	PCI-DSS AOC expired 28 Feb 2026; re-assessment engagement not yet signed with a QSA.
PAY-04	Two-factor authentication enforced for every payment transaction as per UPI authorization rules	Compliant	UPI PIN + device binding enforced on all flows; no card-on-file bypass.
PAY-05	Failed/declined transaction reversals processed within the prescribed TAT	Partial	Failed-transaction reversals average 3.5 days against the 24-hour norm; manual reversal queue is the bottleneck.
PAY-06	Dispute (chargeback/UDIR) responses filed within the prescribed dispute-resolution TAT	Partial	Dispute responses tracked in a shared mailbox without TAT reporting; average response time not measured this quarter.

3. Service Compliance Self-Certification

Self-certified status against the customer-facing service obligations of the NPCI UPI Procedural Guidelines (ref. Customer Complaints; Customer Registration; Annexure XIV - App Checklist).

Item Ref	Requirement	Mandatory/Optional	Compliance Status	Merchant Response / Evidence
SRV-01	Log a complaint function available to the customer in the payment journey	M	Non-compliant	No in-app complaint function; customers are directed to an email address with no ticket id issued.
SRV-02	Transaction history visible to the customer	M	Compliant	Transaction history with UPI reference numbers available in the app.
SRV-03	Customer grievances resolved within T+5 working days	M	Non-compliant	Quarterly average grievance resolution 11 working days; 52% resolved within T+5.
SRV-04	Deregistration and deletion of customer account/VPA supported on request	M	Partial	Account deletion possible only via support request; average completion 12 days; no self-service option.
SRV-05	Charges/fees disclosed to the customer before payment confirmation	M	Partial	Convenience fee on some bill categories shown only on the final receipt, not before confirmation; fix scheduled for the next app release.
SRV-06	Refunds to customers processed within 7 days of approval	M	Partial	Refunds average 9 days against the 7-day norm during high-volume weeks.
SRV-07	Whitelisting of frequent payees offered to customers	O	Compliant	Saved billers and payee whitelisting supported.

4. Declaration

The undersigned certifies on behalf of PayZippy that the statuses above are true and complete as of the reporting date, and that any clause marked Partial or Non-compliant is accompanied by the current remediation position stated in the response column.
